

Auro Dental Care

Quality Healthcare made affordable.....

We strive to be the reason behind your smile.....

We at **AHC** have evolved ourselves brick by brick in multi-facet domains of Drug Research and Healthcare. The 'Healthcare Division of AHC' is strived to provide quality oriented services expanding its ventures, accelerating the plan of establishing **chain of 'Dental Clinics' across the city of Chennai** for giving a better approach towards treatment facilities for patients with dental ailments.

Our mission establishing the Auro Dental clinics is to deliver high quality and complete dental care **in the most affordable way** with emphasis on a multidisciplinary and comprehensive approach for curing the dental ailments. We have commenced our journey with our first clinic at the Heart of Choolaimedu.
